# SECURITY SERVICES

*Security Services that make a difference...*

Bridgeway has a proven track record as a supplier of Intelligent Security Solutions and Incident Management within the rail industry.

## WHAT WE CAN DO

We have the ability to problem solve and understand the issues and challenges of working within a commercial environment under track possession and SSoW conditions to ensure that project or maintenance delivery is not compromised.

We have particular expertise in high risk crime areas within major project renewals; fault reporting and repair management; crime prevention consultation; detection and containment; remote alarm installation / monitoring and 24hr response; intelligence and surveillance special operations: conflict management and incident containment.

We are able to undertake any number of security tasks, such as the following:

- Track Patrols & Inspections
- Interactive CCTV systems
- Incident Management
- Crime Recording & Reporting Systems
- Police; Technical; Fault Control; Management Co-ordination
- Court Expert Witness Role
- Perimeter Security
- 24 hr Electronic Alarm Systems
- 24 hr Response Teams
- Conflict Management for: Level Crossing Closure & Fare Evasion
- Car Park & Compound Access Control
- Plant & Mobile Asset Security
- British Transport Police Support Role
- Crime Prevention Consultation
